Note:

- Components are designed to suit 40x40 mm or 25x25 mm square tubing.
- Both components and tubing are available in galvanised or matt black e-coating RAL9005 however, we recommend e-coating for indoor applications only.
- This range is ideal for creating signage frames, industrial style furniture, storage racking & shop display frames, etc. However, they should not be used in safety applications such as handrails & guardrails. If in doubt, please get in touch with us.
